Statement of Faith

The Statement of Faith of the Company is as follows. It is intended to be read against the background of, and alongside the historic creeds of the Christian faith, especially the Nicene Creed, and interpreted against their historical and theological tradition.

We Believe

- That there is one eternal God, Father, Son and Holy Spirit, who created the universe.
- That the Bible is inspired by God, and authoritative, and that it should shape, guide and govern our worldview and all areas of human life.
- In the person of Jesus Christ, the eternal Son of God, who in his human life, death and resurrection makes possible the restoration of our broken relationship with God and the forgiveness of our sins.
- That God, in love and grace, offers to people this gift of salvation into eternal life, and the possibility of a life of love, hope and service enabled by the Holy Spirit.
- In the resurrection of all people to God's final judgement.
- In the unity of believers in the Lord Jesus Christ, who has ascended to heaven and will return to establish his Kingdom.

I hereby affirm my belief in, and acceptance of, the Statement of Faith as stated above. In signing this Statement of Faith I desire to declare my personal faith in Jesus Christ as my Saviour, my Lord and my God.
